Idaho North Resources to Attend 119th Annual Meeting and Exhibition of the Northwest Mining Association

Idaho North Resources (OTCQB:IDAH) is pleased to announce that it will attend the 119th Annual Meeting and Exhibition of the Northwest Mining Association (NWMA), December 4-6, in Reno/Sparks, Nevada.

The Company will exhibit in the Core Shack area with core samples and historical data from its Eagleville gold/silver properties south of Fallon, Nevada along the Walker Lane Mineral Belt. Idaho North President Mark A. Fralich and Chief Geologist Thomas Callicrate will be on hand to discuss the Company's progress and future plans at Eagleville and its other project locations.

The NWMA Annual Meeting and Exhibition is the second largest annual mining convention in the United States, consisting of short courses, technical, legislative and policy sessions, and a 250-booth trade exposition. The meeting has been held every year since 1895, attracting more than 2,500 attendees from all over the world. For more information, visit the NWMA website at <http://www.nwma.org>

About Idaho North Resources

Idaho North Resources is a U.S. based junior company exploring for gold, silver, and base metal resources in Nevada and Idaho. The Company has long-term lease options on the Eagleville gold/silver project south of Fallon, Nevada and the Klondike North and Divide silver/gold projects near Tonopah, Nevada. Idaho North Resources is listed on the OTC.QB under the symbol IDAH.
