Idaho North Resources appoints Mr. Lane A. Griffin as President/CEO

Idaho North Resources (OTC QB: IDAH) (“IDAH” or “the Company”) wishes to announce the appointment of Mr. Lane Griffin as President and Chief Executive Officer of the Company effective March 6, 2015. Mr. Mark Fralich, the outgoing president, will be assuming the role of Corporate Communications Consultant.

Mr. Griffin brings over 30 years of experience in the mining business with a successful track record of exploration and mine development. He has conducted precious metal exploration and operations throughout the Great Basin and reviewed projects to prepare NI 43-101 reports. He founded and operated a successful underground gold mine in the Washington Cascades for over 20 years. His impressive background and experience in the minerals industry will bring a renewed emphasis on new concepts and fundamentals in the hunt for economic ore deposits.

Mr. Griffin graduated with distinction from Washington State University with a Bachelor of Science in Geology. He served four years as an officer in the US Army Corp of Engineers. He is a registered geologist in the state of Washington and is a Qualified Person as defined by Canadian NI 43-101 requirements.

Mark Fralich, former Idaho North president stated, “We are pleased that Mr. Lane Griffin has assumed the duties of president and feel he is well qualified to advance the Company with a spirited exploration program and attitude focused on increasing value for our shareholders and investors.”

The company would like to acknowledge and thank Mr. Fralich for his excellent and dedicated service as president and founder of the Company and look forward to his continued collaboration with us.

About Idaho North Resources

Idaho North Resources is a U.S.-based junior company exploring for gold, silver, and base metals, primarily along Nevada’s prolific Walker Lane Mineral Belt. The

Company has an Exploration Program Agreement with Coeur Mining, under which Coeur will fund, and have exclusive earn-in rights, to certain of the Company's properties, beginning with the Klondyke Project, near the Hasbrouck gold-silver deposits. The Company also has a long-term lease agreement on the Green Monster project, as well as the Eagleville property, near the Rawhide Gold Mine, where an initial drill program was recently completed.

Idaho North Resources is led by mining professionals with a proven track record of delivering value to shareholders. The Company stock is tightly held, with just 13.7 million shares outstanding, 17.5 million fully diluted. Idaho North Resources is a fully reporting company, listed on the OTCQB under the symbol IDAH.
