Idaho North Resources Closes Private Placement

Idaho North Resources (OTC QB: IDAH) (“IDAH” or “the Company”) today announced the completion of a brokered private placement of its common stock.

The Company raised a total of \$310,000 at a price of \$0.10 per unit, with each unit comprised of one share of INR common stock and one redeemable stock purchase warrant. Two stock purchase warrants will allow the holder to purchase one additional share of common stock for \$0.25. Each Warrant is exercisable through November 1, 2016. All common shares issued in connection with the placement are subject to a hold period of six months.

The Company intends to use the net proceeds to locate drill targets and perform an initial drill program at its Eagleville gold/silver project and for general corporate purposes.

Pennaluna & Company acted as sole agent for the placement and received a cash commission of 10-percent of gross proceeds.

About Idaho North Resources

Idaho North Resources is a U.S. based junior company exploring for gold, silver, and base metals in Nevada. The Company recently finalized an Exploration Program Agreement with Coeur Mining, under which Coeur will fund, and have exclusive earn-in rights, to certain of the Company’s central Nevada projects. The first Earn-In Option Agreement with Coeur was subsequently signed on the Klondyke Project, near the Hasbrouck gold-silver deposits. The Company also has long-term lease agreements on the Green Monster and Divide projects, as well as the Eagleville project, where it recently completed an initial drill program. Idaho North Resources is a fully reporting company, listed on the OTCQB under the symbol IDAH.

This news release contains certain forward-looking statements within the meaning of the Federal Securities Laws. Such statements are based on assumptions that the Company believes are

reasonable but which are subject to a wide range of uncertainties and business risks. There are many factors that could cause actual results to differ from those anticipated.
