

PRESS RELEASE

9-7-2011

Idaho North Resources holds special Shareholders meeting

Idaho North Resources held a special shareholders meeting September 14, 2011. Shareholders voted in Mark Fralich and Greg Stewart to the Board of Directors of the Company.

Mr. Fralich brings to Idaho North Resources more than 25-year's experience in marketing, business development, sales and investor relations. Before joining Idaho North Resources, Mr. Fralich provided consulting, marketing and investor relations services to United Mine Services/United Silver, Consolidated Goldfields Corp., and is presently involved in investor relations for Silver Scott Mines, Inc. Prior to that Mr. Fralich worked for Mines Management in marketing and investor relations conducting "Precious Metals and Investment Seminars" throughout the United States and Canada. He was co- Founder of Spoval Fiber Optics, a telecommunications/optical networking company and grew it into a multi-million dollar business. Mr. Fralich spent 13-years with the Associated Press News Service. He attended Boston University studying computer science/engineering.

Mr. Stewart is currently Director and CEO of United Mine Services, Inc. He has more than 20-years of experience involving surface and underground mine development, environmental remediation and reclamation, site development, pond and dike construction, and stream restoration for clients such as the Environmental Protection Agency, Idaho Department of Environmental Quality, US Army Corps of Engineers, US Forest Service, Hecla Mining, SNS Silver, BLM, Bunker Limited Partnership and Union Pacific Railroad. Mr. Stewart is the founder of Stewart Contracting and United Mine Services, and serves on the Board of United Silver Corp.
